Dear Mr. Winkler,

I just wanted to take this time to tell you how pleased we are with our purchase from The Club House. The cart covers we purchased last fall have become a valuable portion of our operation. The new covers not only add a great touch of prestige, but they also allow us the ability to offer a new level of service to our Members. The last few weeks of steady rain has allowed our diehard golfers to brave the elements and enjoy a round of golf, even if Mother Nature is not fully cooperating.

The new covers have allowed us to remain relatively active, when before, we would realize no revenues at all. This was, without a doubt, one of the better purchases we have made over the last decade. I would recommend your product with great enthusiasm to anyone considering increasing revenues, increasing member satisfaction, or anyone interested increasing their facility's image.

Warmest Regards,

David L. Whalen, CCM  
General Manager
